## Roz's Very First Chicken Pot Pie

### Ingredients

1 pkg refrigerator biscuits  
1 bag frozen mixed vegetables  
2 jars premade turkey or chicken gravy  
1 lb cooked chicken breast

### Instructions

Chop chicken into bite-sized pieces.

In a large mixing bowl mix chicken bites, gravy and frozen mixed vegetables.

Flatted the refrigerator biscuits and line the bottom of a Pyrex pan or ramekin dishes with dough.

Bake biscuits for about 8 minutes.

Pour the chicken mixture over partially-cooked dough, and top the mixture with more flattened dough.

Bake until biscuits are browned, about 45 minutes at 350 degrees.
