Joyce's Amazing Hot Cocoa

Ingredients

3/4 c chocolate syrup (more if you like it really chocolatey)
1 c buttermilk (reduced-fat)
3 c milk (Skim or 1%)
2 c sweetened condensed milk
whipped cream - as much as you want
shaved chocolate on top - yummy and pretty

Instructions

In a saucepan heat the buttermilk, milk and condensed milk with a whisk, stirring constantly.

When warm, add chocolate sauce.

Transfer to mugs and top with whipped cream.

Sprinkle the whipped cream with chocolate shavings, you'd be crazy not to.
